Editorial

The Board of Directors of the Club, in their wisdom, have invited the Australian Team to play at Lions Stadium on Wednesday evening the 18th of March.

This exercise is not going to be cheap, the risks involved in promoting soccer matches of this kind are great and yet the Directors feel it is necessary for someone in Queensland to take the risks in order that you, the public, are allowed to see your national team in action.

It is all very well to say the costs of staging such a game are great, too great to justify the risk, but Lions feel such is the nature of a NATIONAL side, that it is important the effort be made in order that soccer fans across the nation can indeed identify with the players.

So it was when the opportunity arose to have the Socceroos with us there was little hesitation in the Club accepting. Then came the work in organising the fixture and it is here perhaps a few of the costs involved should be made public in order that true appreciation can take place.

The Wednesday night match will cost the Club around \$5000 to stage and in today's economic climate that is not peanuts.

Lions are not running the match to make a profit but neither do they want to make a loss so it is essential we get the backing of the Brisbane Soccer public if this is to be the first of many such games. The club is keeping entrance fees as low as possible and the people who attend can rest assured they will get

value for money for it would be horribly wrong to describe the match as friendly, it could be better described as the most important game played yet at Lions Stadium for in this year, the year of our World Cup attempt, the field will be packed with players who will be out to prove something.

Rudi Gutendorf will be looking at 22 players on the field, not 11, for even Rudi could not admit, in fact does not deny, he is happy with his present team.

This is an ideal opportunity for local players to push themselves into contention for a place in the national squad, they will be performing in front of the MAN himself, against his chosen first draft, and should the locals perform well, who is to say late changes would not be made in the squad.

It is the proverbial "golden opportunity", you shouldn't miss what should be THE GAME OF THE YEAR for 1981.

Leichhardt	- Newcastle
Sydney Slickers	- Marconi
Brisbane City	- Sydney Olympians
Adelaide Giants	- Heidelberg
Preston	- Footscray
Canberra Arrows	- Adelaide Hawks

Last Week's Game

LIONS 0 - LEICHHARDT 0

LIONS CAME AWAY FROM SYDNEY LAST WEEKEND WITH A HARD FOUGHT, WELL DESERVED POINT.

RIGHT FROM THE START IT WAS OBVIOUS BOTH SETS OF FORWARDS WOULD FIND IT DIFFICULT TO PENETRATE TWO VERY SOLID DEFENCES AND AS THE GAME PROGRESSED, ONE FELT IF ANYBODY SCORED IT WOULD BE A WINNER.

LIONS BACK FOUR IN THIS GAME WERE AGAIN SUPERB, WITH JIM HERMISTON PLAYING LIKE THE SCARLET PIMPERNEL (THEY SEEK HIM HERE, THEY SEEK HIM THERE ETC.)

OUR MIDFIELD OF HOGG, MC LEAN, LINDSAY NOW STARTING TO SETTLE AND PRODUCING GOOD SUPPORT TO THE FORWARDS AND DEFENCE. WITH FERRIS AND CONSTANTINOU PLAYING AS CONVENTIONAL WINGERS WE AT LONG LAST ARE STARTING TO GET THAT BALANCED LOOK. SPECIAL MENTION TO RON MILLMAN WHO CONTINUES TO PRODUCE LOTS OF ENERGY BEYOND ALL REASON.

AS THE PLAYERS WALKED FROM THE FIELD AT THE FINISH ONE COULD DETECT THAT GLINT OF ACHIEVEMENT IN OUR TEAM'S EYES FOR A JOB WELL DONE AND AS WE HIT THE DRESSING ROOM WHAT IS FAST BECOMING OUR TEAMSONG BROKE OUT AND THAT IS THE OLD VERA LYNN SONG 'WE'LL DRAW AGAIN, DON'T KNOW WHEN, DON'T KNOW WHERE'.....

THERE IS AGAIN THAT TREMENDOUS TEAMSPIRIT RAISING ITS' HEAD AND WE ALL FEEL SURE THAT IT'S ALL STARTING TO FALL INTO PLACE AND IN FACT WE'LL BE TRYING TO START THAT WINNING RUN THIS WEEK AT LIONS STADIUM.

SEE YOU THERE.....

MATT CARSON.

TODAY'S GAME CONT/D

himself like the older Jim in fitness if this combination is to become a potent weapon.

With all this going for them the Richlands team should start to think as Lions and send these Wolves cowering back to their lair in the Deep South.

Go to it, Lions, reign supreme!.....

today's game

Today we welcome to the stadium the new sensations of Philips League, Woollongong Wolves, who, after three matches, are perched high and dry on top of the league table.

Many people are praising this new entrant to Australia's highest soccer company and many more are asking why, they, a team brought together recently, can come into that company and make such an impact. The answer can probably be given in one word, a magical word in any team sport, a word whose existence in a set-up feeds upon success and will continue to feed as success follows success. The word is ENTHUSIASM and there is little doubt that the Wolves have a giant sized helping of that commodity in their present set-up, and after three straight wins the enthusiasm will now be strengthened with not inconsiderable confidence.

It is not surprising the Wolves have done well, Philips League Soccer was in extreme danger of becoming an upgraded fascimile of what had gone on before, a centralised sport based in Sydney and Melbourne with all others supplying themselves as chopping blocks for the big money giants. This has been going on for four years and only recently has it become apparent that soccer hierarchy had become aware of the problem with their attempts to make Canberra the "Soccer Capitol" of Australia.

Now Woollongong and Newcastle have hit the League like a fresh gale-force breeze and shown the other lesser clubs what can be done and we for one at Lions should be taking a long hard look at today's visitors and posing the age-old question: "If they can do it why not us?"

It will be this enthusiasm that Lions will find their greatest adversary today for with such an attitude a team becomes potentially very dangerous, somewhat like a cornered Lion.

The Wolves couldn't care less, no one expects them to do well and all their victories so far have been bonuses. Now everyone expects the bubble to burst so today's game will be no different, they will go all out to win, a "nothing to lose" situation. If they win it's eight points, if they lose everyone will say "It had to happen". With this thought in mind today's Wolves are a dangerous pack.

However, we must remember Lions are stronger and more fearsome than Wolves and it would be nice to see some of our lads take up the mantle of the King of the Beasts. They must fear no one and begin to go at opponents with confidence and skill. Alan Niven and Paul Ontong are quite capable of inflicting damage on opponents flanks but of late have shown little penchant for going forward. Gerry Lindsay and Steven Hogg tackle like charging Lions to be true but having won the ball they should be looking for playmakers in the team and continue to do damage with their tireless running. Jim McLean and Jim Hermiston have shown a rare combination and it's up to the younger Jim to get

PHILIPS

LIONS SUPPORTERS CLUB

Well! So much for a season of understanding and co-operation, if our first home game was any indication. Maybe it was due to the fact that everyone had worked their hardest for the club before the game, and I am sure all were disappointed with the final result. Which altogether points towards the fact of some things being overlooked, and also many frayed nerves.

One of the first issues was that our S.E.Q.L. team (who at the time didn't have a manager), came off at half time to find no drinks waiting. The same thing happened at full time. This seems very odd treatment for a team that was undefeated last season.

Another point of contention was the naming of the man of the match after the game in the Forum. It can be said that this was done purely through lack of communication between John Morcus and myself. However, after a combined meeting with the Supporters Club committee and some of the Directors, I think a much better understanding of the needs of each other have been achieved.

Double congratulations go to Col (Desperate Dan) Bennett. Firstly on the occasion of him playing his 100th game in the PSL competition, and secondly for being named Supporters Club man of the match, for his performance against Newcastle Raiders.

This season our format for picking man of the match has changed slightly. We will be picking two players, but our first choice only will be publicised. The second choice of each member of the committee will remain unknown, even to the other committee members, until the end of the season when all points will be counted, and the winner will be presented with a trophy which has very kindly been donated by a member of the Supporters Club, who wishes to remain anonymous.

Today we see the unbeaten Wollongong Wolves for the first time - so on behalf of the committee, I would like to wish our players the best of luck.

Lynn.

The Junior Season is now in full swing and we will require the services of coaches for some junior teams.

The Supporters Club Committee would like to welcome back the parents from last year to the 1981 season, and also welcome new parents to our Club.

All junior teams from under tens and up will be participating in a carnival at Toowoomba on the 14th of March, any supporters that would like to accompany us to this carnival, their support would be most appreciated.

Gaye Ah-Quay
Kim Fulton.

Full name	Steven Bruce Hogg
Nickname	"Hogdog"
Birth date	14th February 1961
Birth place	Melbourne
Hair colour	Fair
Eye colour	Hazel
Height	.00175 km.
Weight	70 kg.
Married	No, free
Children	Not yet
Occupation	Professional Student
Superstitions	Lucky no.13; Cold shower before every match; Always listens to Meatloaf prior to each match I've been everywhere!
Position	7
Shirt no	7
Favourite food	Loves eating, especially carpetbag steak.
Favourite drink	Kahula on the rocks.
Hobbies	Sailing, tennis, watersports.
Personal dislikes	Egotists.
Transport	Lancer Hatchback.
Personal ambitions	To have as few responsibilities as possible.
Favourite TV Show	The Professionals and M.A.S.H.
TV Show you switch off	Haven't got my own T.V.
Favourite singers	Bread, Credence Clearwater, Neil Young.
Favourite actors	Clint Eastwood, Paul Newman, Glenda Jackson.
Professional ambition	To become a marine biologist.
Previous clubs	Canberra City
Rep Honours	Pace bowler for Griffith Uni team; A.C.T. u/16 - u/19; Qld team; Australian u/19; Australian Soccerroo squad.
Favourite player and why	Shuster (midfielder) for his skill, workrate and enterprise.
Favourite sportman	Dennis Lillee.
Most memorable match	Against England B side
Favourite other team	Canberra City.
Favourite away stadium	Bruce Stadium.
Greatest thrill in soccer career	Being selected in the Australian Squad.
Biggest disappointment in career	Losing qualification series in South America
Dislikes in soccer	Travel, unprofessionalism. Mini World Cup.
Biggest influence on career	John Warren and Vic Fernandez.
Favourite form of relaxation	Listening to music.
Most difficult opponent	Julia Ceasar Romero (Paraguay u/19)

miss lions soccer quest

This week an inaugural meeting was held at the residence of Mr Hans Strik with all Miss Lions Entrants and the Sub Committee formed to take care of these girls in their bid of fundraising for our club during the 1981 season.

We have eight entrants to date, who were all introduced to one another at this occasion, and were introduced also to the Sub Committee.

It was very satisfying to have such a large number enter, however, the aim of the Club is to get about 15 girls involved. Entries will close at the end of April, so if you think you would like to enter, or if you know of someone who might, please get in touch with either Mr Hans Strik or Mr John Morcus, who will be able to give you all the information you want.

All contestants present were quite keen and enthusiastic, and it is now up to them to make the most of this year, not only workwise, but to gain a lot of experience, self-confidence and enjoy themselves while representing the Lions Soccer Club.

Some of the contestants have sponsors already, some are still needed. I would like to appeal to any of the business people in our Club to come across and give these girls a helping hand, they need the extra help to make a success of this.

In the next issue of this magazine we will start with a "Portrait" of each girl, with a short story about herself and her Sponsor.

A monthly raffle will be held both at the Forum and at the Coconut Grove, with each girl getting the proceeds of one of these, also the girls will have the raffle on PSL days in turn, and organise help and prizes for these themselves, so please support these raffles. Donations of prizes are of course also very welcome.

If you think you can be of any assistance in this event, please let your Committee know, any help is welcome. Don't shrug this off again in a hurry, this is very important to the Club's survival, as we are hoping to raise in the vicinity of \$30,000 during this season. Impossible???? Only if our supporters and members don't take part.

Don't forget, the facilities here at the stadium are improving every season, for your comfort, but thanks only to a handful of steady and willing workers, and if you have not been one of those to date, here is your chance to show that you are serious about the continuing success of the Lions Soccer club.

I would also like to thank Mr & Mrs Strik for their hospitality shown this week at the first meeting held with the girls.

On the next page you will once again find the details of this quest, in case you missed it in our last issue.

Ina Mollee.

We have great pleasure in announcing the above Quest which will run during the 1981 Soccer Season, with the Gala Night to be held at the Crest Hotel.

If you know a single girl who would be interested in entering our Quest please show her this article. You could even help her by sponsoring her and assist her in her fundraising activities during the year.

PRIZES ARE:-

RETURN TRIP FOR TWO TO EUROPE
TRIP FOR TWO TO THE BARRIER REEF
WARDROBE TO THE VALUE OF \$500,
and many other incentive prizes.

The Lions Soccer Club will assist all the entrants with fundraising;

RAFFLES AT PSL GAMES
BINGO SESSIONS AT THE COCONUT GROVE
SATURDAY NIGHT FUNCTIONS AT THE LIONS DEN AND FORUM
PROMOTION DINNER EVENINGS
MAJOR ART UNIONS ETC.

Each entrant will receive a sponsor wherever possible and a special committee will be elected to assist the girls. IF YOU READ THIS AND COULD SPONSOR A GIRL, PLEASE CONTACT OUR COMMITTEEMEMBERS AT TODAY'S FUNCTION.

KESSON'S column

LIONS YOUTH v WYNNUM S.L

1-1 DRAW

The first home run for the youth squad. We did well especially in the second half when some of the younger players who have not done too much field work as yet. The first half was pretty even with some entertaining football.

Wynnum are not a team to be taken lightly with players like Nigel Rebock and David Large and quite a few other experienced players. Our younger players like John Miranda, Roddy Vasquez, Mark Colley and Phil Pitham all did very well in this company. We made a basic defensive error and Wynnum scored right on half time. No time to get even. We were one goal down.

The second half we came into our own with some strong runs by Andy Ogden, Mark McNaughton, Lyle Brice. With 20 minutes to go John Miranda's deft little chip into the path of the flying Lyle Brice who outpaced his man and stuck it away nicely; 1-1.

We went close on three more occasions but could not add to the score.

LIONS COLTS v WYNNUM COLTS

4-0 Win.

Another good win for the lads. Four goals to nil. This puts the lads into the semis with Brisbane City, Grange Thistle and Mount Gravatt. We meet Brisbane City in the late game on 2.3.1981.

We gave a few people a shock when Lions youngsters ran onto the field. The Lions babes were not in it. "Size goes for nothing" in this game and our lads proved it with a good display of football.

Youngsters like Robbie McCullough and Ian Anderson were playing their first game of 90 minute soccer and came through with flying colours. Marty Radcliffe scored another hat trick. Mark Colley got the other goal.

LIONS YOUTH v Queensland U/18

5-3 Win

Another high scoring game with some very good football played by both sides and some great goals. A Peter Geritsman hattrick, Lyle Brice scored the other two. We were not as convincing as the score suggests, our first half performance was very lack lustre.

A bad slip in our defensive wall allowed Queensland to score a well worked

free kick going onto a Lyle Brice header evened the score.

Our second goal was a beauty; four touches. From our keeper, three more touches, and it was in the back of the net. Some great running of the ball by Lysle Brice who drew the defence and slipped a great ball into the path of Peter Geritsman who stroked it away nicely. 2-2 half time.

We came out firing on a few more cylinders in the second half and should have gone further ahead early in this half but for two great saves by the Queensland keeper. But goals had to come. Two more for Peter Geritsman and one for Lysle Brice. Queensland scored with a great shot from the edge of the box into the far corner.

The outstanding thing in this game was the uncanny way Lysle Brice scurried into the opposition and played some great balls for others to score. This is percentage goalscoring at its' best. This lad improves with every outing.

Thanks to Ron Smith and his young Queensland side for an entertaining match.

Games to be played in the immediate future at Lions Stadium:

Lions Youth v Ipswich United 11.3.1981

Lions Youth v Queensland U/18 18.3.1981

Lions Youth v Easts 25.3.1981.

throw-ins.

These pages will in future be reserved for letters and articles from our members and supporters. However, as no copy as yet has been received, I may as well take this opportunity to air a few of my own views, some of these things perhaps should have been said a long time ago, perhaps now is as good an opportunity as I will ever have, so here goes:

* Assistance within the Club from its' members:

In last weeks' issue (Newcastle match) I approached our supporters and members for help in all sections of our Club. The response was as per usual, NIL!!! It seems that our members and supporters are quite prepared to enjoy all the facilities provided for them by the Club's management and its' small band of faithful voluntary workers, but are not willing to do anything for it. I know requests for help can become boring and monotonous at times, however, without this assistance the Club would not look anywhere near as good as it does now when we get a bit further into the season. So how about it, please approach any of the Club's officials and offer some of your time.

I might add that this problem is not a new one, last year we just gave up in the end.

* Magazine Advertising:

As made clear also in the last issue of this "Lions Roar", advertising space is available, and again we had no reaction what so-ever. A magazine like this reaches most followers of our club, and they number quite a few. True enough, we don't print 1000 copies each time, some weeks only 300 copies are printed. However, it is a well known fact that in clubs like these people like to keep their business as much amongst clubmembers as possible.

Therefore, you will reach at least 300 potential customers each week, and also their families who will read the magazine on Sunday night. If you then provide them with good friendly service, they will recommend your business to their relatives and friends, and they to their relatives and friends, and they.....and so it continues.

It won't cost you very much to lay the initial contact in this magazine,, and if you back it up with good service, you can only gain from this exercise.

If you would like to take opportunity of this facility please contact Paul Templeton, Jim Binnie or Ina Mollee.

- * As the first issue for 1981 went on sale this year, I heard several people complain that the price had gone up to 40¢. This was necessary, however, to cover the costs of printing this magazine. All the actual work on the writing, typing, artwork, folding and stapling is done on a voluntary basis, the 40¢ just covers the cost of printing. If anyone is prepared to donate the cost of that, of course you're very welcome! The Queensland magazine is so much cheaper only because all Brisbane Clubs have to pay a levy towards keeping this magazine going, and they also

enjoy the added bonus of having quite a few advertisers.

* Board of Directors:

At Lions Soccer Club we have quite a large Board of Directors which have proved a necessity to help them cope with the enormous workload of the Club. As I have worked for years in this club both voluntary and on a professional basis, I have a thorough knowledge of how much time is put in by the majority of these people. All the same you will always hear the odd snide remark made about these people, usually by people who never lift a finger to help instead. You know the kind of remark I mean:- "They're only in it for what they can get out of it" or "He wants to be a Director because of the prestige involved" or the most common one:- "The Generals up top, all talk and no action".

To me the Board of Directors represents a band of dedicated men, who, even if they don't have the experience or enthusiasm when they first join, soon learn to become just those things, because their fellow directors seem to transfer those qualities to their new members very fast.

A Director of our Club is someone who:

- * Reports to the Lions Stadium at 6am every morning while the grandstand is being built to work as a brickies labourer, then change at 8am to change to go to his office for the day's work, then spends 3-4 nights a week on club business, and again reports for the working bee on Saturday, to be followed by a busy day at the Stadium for PSL match days.....
- * Gets no praise from members and supporters while the going is good, but then cops plenty of rubbish when things are down.....
- * Feels like a little schoolboy when called in by the Bank Manager because of an overdraft, then bends over backwards to rectify the situation. But why should we care, we have our Lions Den and Forum etc to relax and enjoy on Sundays.....
- * Reports to the ground early Sunday morning to mark fields etc in readiness for the big match, then showers and changes so he can take his position at the gate at 1.30 pm.....
- * Can be called on or telephoned 7 days a week and 24 hours a day, to handle big and small problems that arise every day, whether he is enjoying an evening with his family or not.....
- * Finally thinks at 3.00 on Sunday afternoon, he can now quietly watch the event they have prepared for all week, the main PSL match, only to find that no matter where they hide, people will find them to give them "good advise", complain or in general want to discuss clubmatters.....
- * In general have very unhappy wives because they spend so little time at home..... etc etc.

Let's all stop and think for a minute the next time we want to make any remarks or have any complaints about the running of the club. You only have to look at the development of the last few years to realise that we are very lucky indeed to have these great people at Lions.....

If you are by now convinced that we can indeed spare the space for some of your comments, please don't postpone, but get into it. I did not think I could even fill one page at a moment's notice, and before I realised it I had filled two pages, so it's not hard.

Perhaps my comments are a bit strong, but it's time people in Brisbane Lions Soccer Club wake up to the fact, that nothing is given to you on silver platter, if you want results you must work for it, and work for it together.

One more very important point:- The Board of Directors has decided the LIONS FORUM will now be open from 11am - 5 pm to all members on PSL days, their guests are also welcome.

We do however ask your co-operation to observe the reserved seating area as reserved. We will be inviting a number of guests during PSL matches, and all windowseats therefor are reserved and will be roped or partitioned off.

The players function after the game will now be held at the Lions Den, and a table will be reserved there also for the players. So please join your team after the match today to show your appreciation and to have a pleasant chat with your fellow members and supporters.

Well, I hope I will be able to leave the writing of these pages to you in the future, no matter what you may think after today's effort, writing news articles is definitely not my strongest point.....

Ina Mollee.
